

Quittapahilla Rod & Gun Club

704 South Mount Pleasant Road, Lebanon, PA 17042

November 19, 2020

From the President's Pen:

This was a strange and unusual year at our club. First and foremost, please thank your officers and volunteers, that keep our club clean and maintained.

As you all know we closed the club for most of the summer because of the Covid 19 virus but still kept all of the ranges open for your use and pleasure. In July it was decided to have the monthly meetings in the big meeting room. It was your choice to wear a mask or not while at the meeting. Your officers and trustees still had quarterly board meetings to keep us on tract.

Your officers and trustees were elected and were appointed the following positions: GLENN REICHARDT PRESIDENT, ADAM HOSTETLER VICE PRESIDENT, SHANNON REXRODE TREASURE, TIM KREISER SECRETARY: TRUSTEES BEN WAGNER, DAVE MILLER, JIM BOMGARDNER

Our membership is increasing with both past members and new joining our club.

Renewal membership applications will be required for next year 2021. Note: this year you will BE **REQUIRED TO SIGN THE RANGE RULES and return with your application**

The club house should be much warmer with new windows and screens, a BIG Thank you to the family or member that provided a monetary gift / donation in the exact amount for our windows to purchase. We also need to thank Barry Powell for working with the supplier and getting a great price and deal and Jim Bomgardner to take the time to install the windows.

Our wood splitting crew provided our club with enough wood to sell to our members and we made a nice profit of \$500.00 dollars for the club. Thank You, Team.

Our Sub Ticket sale was a success as well and MANY THANKS to all who purchased tickets. We also made a profit of \$295.00 dollars.

We had a Food Truck Extravaganza this year and we made a \$200 profit and a big THANK YOU to Ms. Amber Rexrode who took the time to organize and get the trucks. I want to thank all of the volunteers who helped with set up and break down. And all the members who came out and bought a FARM SHOW MILKSHAKE (they were just so delicious)

With all these fund raisers we have made enough to keep the lights on and the doors open with a small additional funds to put into the bank.

Your Board approved a new to us; but a used John Deere Riding mower with only 400 hours of lawn use. Our old tractor died while cutting the lawns. The cost for the tractor was \$700 dollars.

You will see a new target stand at the pistol range, also donated by a member Dennis Peiffer Thank You Sir.

The fish pen at Hershey Schools will be replaced with a floating pen to house the trout. Shannon Rexrode and myself were invited to participate in a webinar with the contractor, and Hershey. A lot of great ideas came out of the meeting and our input was welcomed.

The club is still working with South Annville Township to allow Small Game of Chance to be allowed in our township so we can generate more income.

New club hats and shirts are available for sale \$15.00 each.

The combination on the lock will be changed February 1, 2021 and the number will be in the center of the lock instead of the top; more notices will go out as the month gets closer.

Please come out to our meetings every last Monday of the Month and introduce yourself to your members. We will be having more work Saturdays this new year to clean up and clear out a lot of Attic stuff. Again, come out it is a four-hour day with a 5dollar breakfast starting at 6:30 am.

We need help in keeping the lawns cut and feeding of the trout and routine maintenance. Please come to a meeting and express your interest in helping your club. Present time there are only a handful caring for the club and the trout

Thank You

Glenn Reichardt President
