

Quittapahilla Rod & Gun Club

704 South Mount Pleasant Road, Lebanon, PA 17042

November 2024

From the President's Pen:

Please extend your sincere gratitude to our officers and volunteers, who diligently maintain the cleanliness and upkeep of our club.

Your officers and trustees were elected and appointed to the following positions for 2025: Dan Bucks, President; Glenn Reichardt, Vice President; Rich Anderson, Treasurer; Tim Kreiser, Secretary; and Trustees: Adam Hostetler, Chip Bitzer, and Jay Megonnell.

As you are aware, I have decided to step down as President of your club. I have cherished my tenure in this position and the unwavering support you have bestowed upon me. However, it is time for me to embark on a new chapter. I cordially welcome Dan as your new President and urge you to extend your support to him as you have supported me.

As per the recent vote by the Board and Members, a point system has been implemented to recognize and reward volunteer contributions at the club. A comprehensive point system has been established for each event you assist with at the club. During the recent club fall cleanup, a total of eight members, including one new member whose membership will not take effect until January, participated. Our current membership stands at 280 individuals. While officers often receive feedback regarding areas for improvement, it is essential to emphasize that the Quittapahilla Rod and Gun Club is not solely a shooting range, but a CLUB, made up of all of us.

We are pleased to announce the upcoming Basic Hunter Trapper education course, open to individuals aged eleven and above. The course will be held on Saturday, April 19, commencing promptly at 8:00 AM. Registration will commence at 7:30 AM. Prior to the class, the club will provide breakfast for a nominal fee, and lunch will be complimentary. Registration for this course will open in January. To register, kindly visit the Pennsylvania Game Commission website and navigate to the "Education" tab. Select "In-Person Course" and follow the provided instructions. It is essential to note that most states require a Hunter Education course certificate for hunting privileges within their borders.

I sincerely appreciate your support for your club, its officers, and the new President. I am confident that your contributions will enable the President to effectively lead. I encourage you to engage with other club members as it is both fun and rewarding.

Thank you,

Glenn Reichardt

Glenn Reichardt, President
